

# Why White Women Shouldn't Date Black Men

## He's much more likely to abuse you

White women who marry black men **multiply** their chances of being killed by their spouses by **12.4** – a **1140%** increase. The risk of nonfatal abuse and girlfriend abuse is also **much higher** with black men than white men, and blacks are **twice as likely** as whites to abuse their children.

## He's much more likely to have STDs

- **1 in 16** black men has **HIV**. Compared to straight white men, straight black men are **15 times more likely** to be diagnosed with HIV, and more likely to go **undiagnosed** as well. That's why **over 50%** of HIV/AIDS cases among white women result from having sex with black men.

- Black men are **8** times more likely than white men to have syphilis, **12** times more likely to have chlamydia, and **26** times more likely to have gonorrhea. Up to **78%** have herpes.

## Your kids probably wouldn't be smart

The average white IQ in America is **100**, but the average black IQ is **85**. Of course, you *could* date one of the few smart black men. However, **regression to the mean** is a law of biology: if a parent has an **extreme trait**, the children tend to be closer to average. Since **88%** of blacks have IQs under 100 and only **2.3%** are smart enough to earn a good degree, **being smart** is an extreme trait for blacks. Your kids would *regress* to a *mean* well below average for a white child.

## You should probably just avoid black men

Blacks are **more likely** to commit every type of violent crime than whites: **4.0** times more likely for rape; **7.3** times, for gang rape; **7.6** times, for robbery; and **6.0** times, for murder. This is *not* accounted for by poverty or "police racism." Furthermore, black criminals target whites: **they are more likely to attack whites than blacks**.

## The stories: horrific and sadly predictable

The stories below shouldn't be surprising, given the data on race and crime. Unfortunately, the mainstream media have **ignored and censored** these crimes for decades because the truth made black men look **violent, racist and misogynistic**.

## Black man wipes out white exes, families

In July 2011, **Rodrick Dantzler** (black) of Grand Rapids massacred his estranged **white** wife, their daughter (**12**), and his in-laws; his **white** ex-girlfriend, her sister, and her niece (**10**). Then he shot *another white* ex, and killed himself. He *really* liked white girls – until they left him.

## "No, no, stop, stop, don't hurt me!"

Above: in April 2011, neighbors heard **Sarah Coit** (23) screaming for her life for 20 minutes before police found her, **nearly decapitated** by the black man she'd just tried to break up with.

## "I'm dying! He's stabbed me to death"

Above: in November 2008, model **Amy Barnes** (19), who liked to date black athletes, called for help as she **bled to death slowly from nine stab wounds** and a four-inch slash right across her face, all inflicted by her live-in black boyfriend.

## Starts with brutal rape; gets much worse

Left: in March 2008, model **Katie Piper** (24) tried to end a two-week affair with **Daniel Lynch** after he'd **held her captive** for eight hours, **raped her** and **smashed her head open**. Not yet ready to let go, Lynch had another black man **burn her face off** with acid. She lost vision in one eye, too.
